# VOLUNTEER OF THE MONTH

Every month we love to acknowledge our fabulous team of volunteers and have a special 'shout out' to those that have gone above and beyond our expectations

So, for the month of February, we are proud to give a special mention to **Christine Milsom**.

Christine comes in and cooks for our homeless feeds then goes and volunteers in the kitchen serving the meals at each feed. She is amazing and such integral part of our Leeds team.

Thank you Christine for all you do!

# BUSINESS OF THE MONTH

We are privileged to work with some amazing businesses, and we appreciate that we couldn't do what we do without their continued support. Our business of the month for February is **REONEX** who have been fantastic in setting up extra security for our IT and taking care of all our IT needs.

Jamie at REONEX gives back to the community where possible, by helping with Focus4hope or gifting time to the elderly to set them up with new tablets, phones and computers.

**REONEX** is an IT Managed Service Provider offering IT Support, Telecommunications and Business Broadband. They started in August 2023 intending to look after all businesses no matter the size. Taking pride in what they do from helping sole traders and charities to 10 - 100 user companies; helping them to achieve their technical goals without excessive overheads. **REONEX** look to save all companies money and help them get the correct IT cover needed.

Please feel free to contact Jamie at **REONEX** for any advice.

# WHAT WE DO

## Who does Focus4Hope support?

Focus4Hope Supports the homeless, the elderly, the vulnerable, refugees, and survivors of domestic abuse.

## What does Focus4Hope do?

The following are our main services:

### The Homeless

Focus4Hope hosts fortnightly homeless feeds in Leeds City Centre and provides hygiene packs to homeless individuals across West Yorkshire.

### The Elderly

Focus4Hope host several days-out and miscellaneous events for the elderly, such as: bingo evenings, afternoon teas, and an annual Christmas meal. We also provide benefit support for them.

### Focus4Hope Food Club

Immediately upon hearing the news of the first national lockdown in 2020, Louise and the team set up the Focus4Hope Food Bank, which initially provided food parcels, prescription pick up services, and other essentials to frontline NHS workers, local elderly, those required to isolate, and disabled individuals.

Since its opening, the Focus4Hope Food Bank has continued to support hundreds of food-insecure or isolated individuals. As circumstances have shifted over the course of the pandemic, the food bank shifted along to meet the need.

Alongside the food bank project, Focus4Hope provides debt and money management services.

These services are very often accessed by the same individuals who receive food parcels, which is part of our larger mission to help individuals become self-sufficient in the long term.

We also provide a befriending call service to all our clients, with the goal of combating loneliness and isolation in our area.

### Survivors of Domestic Abuse

We work with individuals and organisations in our local area to assist those who are fleeing domestic violence. We help these individuals with rehousing, (whether it be locally or at women's shelters across the UK,) and continue to support them by providing clothing, furniture, supplies, benefit assistance, food parcels, as well as training in financial management and general personal and professional development.
